47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We must have private local ISPs not just limit access to unbundled lines to the big boys like AT and T, etc

Competition is what made america great....so why limit it?

We live in a rural community and service via our small ISP is critical to those of us who live far outside of city limits.
