**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose Sonic as my telecom provider because of competitive rates for similar product, supporting local small business, and better quality customer service.

Competition for telecom services helps to drive innovation, keep prices competitive, and provides numerous jobs for our growing population. We need to keep our young minds employed and learning technology!
