Re: Viasat, Inc., Notice of *Ex Parte* Presentation, IB Docket No. 17-95

Dear Ms. Dortch:

On August 29, 2018, Chris Murphy of Viasat, Inc. (“Viasat”), Amy Mehlman of Mehlman Capitol Strategies, Inc., and the undersigned, met with Erin McGrath, Legal Advisor to Commissioner O’Rielly. Viasat’s two recent *ex parte* submissions regarding the compatibility of ESIMs with the operations of Iridium at 29.25-29.3 GHz and with terrestrial mobile operations in bands adjacent to the 28.35-28.6 GHz formed the basis for the discussion.¹

If you have any questions regarding this submission, please contact the undersigned.

Respectfully submitted,

/s/

John P. Janka

cc: Erin McGrath
