**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I love my local independent ISP (LMI.net). How many people (real people, not "robots") would say that about the big ISPs, which have some of the most dissatisfied customers in any industry? Usually they say just the opposite.

Competition is incredibly important in this area. I've been an internet user since the 1980's, and I know what I'm talking about.
