**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

The provider I have, InfoStructure, provides excellent service, privacy and better prices than other providers. I live in a rural area and we are fortunate to have this choice. I've already experienced being forced to go with a major provider when living in another area and don't want to have to go through that again. Competition is the only thing that keep this sane.
