**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please protect our internet. I had att, Comcast and old dialup over the past 30 plus years and Sonic with it low cost and high quality service is the best provide I have had. It is allowing be to see how I can lower my expenses and get to point I can see retirement soon.

As a network engineering working with every thing from old Tokenring and ATM I see Gig Ethernet as future home connect for all thing. As a 58 year Man now looking to the future retirement having quality product like this at low prices is must. Please stop Comcast and ATT monopolies and control and let internet and completion for our access thrive.
