**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have fiber broadband for over two years now from Sonic. It has been amazing. For years, I had DSL through my landline phone company. The prices kept going up but the speed would remain the same. I basically had no other choice. Then finally Sonic came to my neighborhood. It offered fiber connection for half the price of my DSL. Now there are choices for the consumers to choose from. This is what this country is all about. Competition is important so that we are offered more choices. We must continue to have local competitive carriers. Thank you.
