**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I use Sonic for my ISP. I use their Gigabit Fiber connection. It's great, and so are they. Like almost all industries, competition is essential to ensuring businesses consistently strive to innovate - this leads to the greatest value for the end user. Please take all steps necessary to foster a competitive environment in regards to broadband providers, so that consumers can have the best options available.

Thanks.
