**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am now a loyal customer of the internet company Sonic and they have provided me with the best internet experience ever as is their mission, they saved me from the horrible experience I was having with AT&T where the internet would go out for half a day and they were unable to fix the issue, so please let them keep expanding so others can also know what is good internet connection experience.
