Dear Commissioner Rosenworcel,

I'm writing in opposition to the merger of Sinclair Broadcasting and Tribune Media. The merger will expand Sinclair's reach beyond its legal audience cap of 39% to a massive 72% of US households. The FCC should not bend rules or roll back regulations in order to grow Sinclair's pro-Trump, right wing messaging.

Thank you,

Cal Cal Sacramento, CA 95822

Commissioner Rosenworcel,

The single most important element to freedom is access to information, this is why non-democratic regimes fight so hard to control information access. As a recent visitor to eastern Cuba, I observed this exact practice first hand.

Keep U.S. citizens free. Please:

- ① Do NOT allow the merger that would give Sinclair Broadcasting access to 72% of our population and over 200 TV stations.
- ② Do everything necessary to protect strong net neutrality protections.

Thank you. Shana Ellison
