**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Competition is a vital component of our economic system and is the mechanism that has allowed our society to prosper and develop. I am an example of a consumer who now has broadband fiber due to local competition. Please please do not stifle competition. Please promote innovation and an improvement in communications and information. Our children will thank you.
