**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support broadband competition! Sonic is a great service and is better than any other service Ive had. If these new rules hurt their ability to expand or continue service that would be awful for all consumers and small business owners. These monopolistic rules do not benefit anyone except for large corporations with no interest in the consumer or customer satisfaction. Please do not allow these rules to pass and keep the internet open to competition.
