**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I value competitive choice. After so many years of receiving internet service at exorbitant prices from AT&T, I was able to chose a competitive provider LMI in Berkeley, California. I am very satisfied with the phone and internet service of LMI because they provide excellent customer service. They are a small and local company and can respond very quickly when I need help. When I call I often get the same person who take care of my business.

I oppose the USTelecom petition because:

1. I am stuck with just one or two provider
2. I oppose to price hikes that will increase the cost of internet and telephone services.
3. Broadband is critical to my home and business.

Sincerely,

Bang Nguyen
