**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please we need to have competition for broadband carriers. Less competition will raise prices, and its already too expensive and really should be free for all- but that's another conversation. I want to support local businesses, local small internet providers, and I rely on the internet for my business communication. Enough pushing the little guy out,, these few huge corporations take too much and don't give back.

Thank you
