Attorneys for the
California Public Utilities Commission

The California Public Utilities Commission (CPUC) is today separately submitting comments in response to the Federal Communication Commission's (FCC) above-captioned *Second Further Notice of Proposed Rulemaking* regarding rural call completion. These comments were due on August 28, 2017. The CPUC was unable to timely submit comments because the amount of time between when CPUC staff received notice of this item and the comment deadline was too short to allow staff to get the CPUC's permission to file before the deadline.

The CPUC respectfully asks that the FCC accept these late-filed comments.

Respectfully submitted,

/s/ JONATHAN KOLTZ
