**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

The big companies (AT&T, Comcast) etc charge too much and provide too little. I have been so happy since signing up for my internet service with a smaller company (Sonic).

Please do not restrict the competition in this area! I do not want my costs to go up due to uncontrolled price hikes.

Broadband is critical for my work and my family. Thanks to the savings Sonic has provided, I am able to afford FIBER and considerably faster speeds for the same or less money.

Thank you for considering this important matter.
