**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please protect our broadband access from ATT and their desired return to monopoly like control over our internet. Now that we have Fiber internet through Sonic, our computers work much better without the high cost of ATT. We don't want cable television, and without that, they charge us the same price as people with cable. It's unfair.
