**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please do not take away my high speed, low cost access to the internet. I operate my home business and my kids access their schoolwork through our internet at home. Additionally, almost everything we do now is touched by the internet. Blocking free access to this essential service is unthinkable. Please keep it open.
