**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Our capitalistic system is based on competition in a fair playing system. If the FCC is a regulatory body which exists for the purpose of guaranteeing that our telephone and internet services give us choices without noncompetitive price hikes then broadband providers large and small must have a chance to provide services. Please resist the pressure to deregulate these important public services.

Sincerely,

Joan Harrison
