**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who supports broadband competition. My job as an online teacher requires that I have affordable internet. My children's education requires access to all available internet sites without paying extra fees. Given that we live in a rural setting, we are completely dependent on our local provider, as larger providers do not seem to provide service to sparsely populated rural areas.
