47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I choose Sonic as my internet provider because it's a reasonable price. I stopped dealing with AT&T and Comcast because they're too expensive and cannot be affordable to people like me. So please do not let AT&T try to ride out the small companies because they want money.

I love the company I'm with and I would like to keep you around for a very long time.
