**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have trying to get high speed internet for over three years now and have had no luck. The one internet provider in this area is the Gorge but they can't give me high speed internet as Century link will not allow the server to use there lines. I need line to supply me with high speed is across the road were I live but century like will not allow the gorge net work to use the line to service me with the internet service I so badly need. Please make the changes to the FCC rules on the matter.

Thank you,

Roger Macy
