**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support broadband competition and competitive fiber deployment and have had a good experience in San Francisco with Sonic -- fast speed and very reasonable cost.

I think it's important to let these sorts of providers thrive, it's great for customers and improves standards across the board.

Thanks,

Daniel Lewis
