**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a small business owner and see the value of competitiveness in my market. The person or team that offers the better service will get the business. Disallowing competitive business creates a stagnate structure of growth. I do not support cutting off competition. Allow it to exist and the cream will rise to the top. And it will foster more creative business environments.

David Flores
