**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Competition is what this country is all about! We need fibre optics and major broadband. No added price increases and the ability to pick and choose based upon what we choose. No one has the right to dictate to us and fair competition is required.

Thank you,

robin lane
