**MOTION TO ACCEPT
LATE-FILED COMMENTS**

FEDERAL COMMUNICATIONS COMMISSION
OFFICE OF THE SECRETARY

The National Academy of Sciences, through the National Research Council's Committee on Radio Frequencies ("CORF"), hereby respectfully requests that the Commission accept the attached late-filed Comments. CORF was unable to file comments by the December 4, 1992 deadline because of the time needed to prepare the draft, have it reviewed by the committee over the holiday, and pass it through subsequent NRC review.

CORF submits that no party will be harmed by acceptance of these late-filed Comments inasmuch as they repeat arguments already made regarding interference protection of the Radio Astronomy Service in the above-referenced frequency bands.

Respectfully submitted,

NATIONAL ACADEMY OF SCIENCES'
COMMITTEE ON RADIO FREQUENCIES

By: 
Dr. Frank Press, President
