Re: Data Request in CC Docket 92-24 LIDB

Your letter of December 2, 1992, to Mr. Keene has been referred to me since I am the lawyer for the Ameritech Operating Companies primarily responsible for the above docket.

As requested in your letter, attached is the data that exists in Ameritech's records that responds to your request. Instances where data does not exist are noted by the caption "N/A". As requested, the data is being provided in both paper "hardcopy" and on 5.25 inch PC floppy disks, double sided double density. Per your instructions, the data is being filed with the Secretary of the Commission with the understanding it will become part of the record. In addition, the floppy disk is being provided to Chris Frentrup and a hardcopy of the data is being submitted to all parties of record in this docket.

Sincerely,

Larry A. Peck
