Re: Notice of written *ex parte* under 47 CFR 1.1206, Accessibility of User Interfaces, and Video Programming Guides and Menus, MB Docket No. 12-108

On August 21, 2017, I filed a notice of an oral and written *ex parte* meeting between representatives of Honda Motor Co., Ltd. and FCC staff. At that August 17, 2017 meeting, the FCC requested enlarged pictures and “screen shots” of what it looked like to navigate the settings options to turn on/off accessibility features. The attached slide as an expansion of Slide 5 from Honda’s initial presentation, per the FCC’s request.

Very truly yours,

/s/ Andrew Emerson
