**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I demand the FCC allow all citizens to choose a competitive provider for their high-speed internet. Do not allow cable giants to refuse out choices.

The fiber connection I have today is vastly superior to the pitiful broadband I was getting from my previous provider.

As a small business I have the right to a secure high-speed connection. Do not force me to use an absurd slow broadband connection.
