**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Me, my friends, and family all use a competitive provider for internet/phone because it is a more affordable option. We've had other providers in the past and the service was too slow and the price was too expensive. We have fiber internet and it's essential for my growing family to keep up with school and work. We love using Sonic internet in California! Please don't take this away from us.
