**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

AT&T is the worst company I have ever dealt with, and I refuse to do business with them again. They're a powerhouse with no regard for their customers. DirecTV used to have the best customer service in media until they were acquired by AT&T, and now they're the worst. I'm working on a way to quit DirecTV. I choose a small, local internet provider, Sonic, who answers their phones, provides good service both technically and customer service-wise.

I should be able to choose my internet provider, not you, the government. AND, I could afford an increase in services for faster service, but I am fortunate and many others are not. Net equality is essential to all Americans. Don't follow the Trump Make America Suck Again. We vote, and we care.
