**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I choose Sonic because they are local, offer great service for low prices and they at no charge have been upgrading people including me to Gigabit internet speeds. I've always had a great experience with them and have constantly refused to get Comcast due to negative experiences like billing. We have access to AT&T, Comcast, Sonic, and some other isp's I'm not currently aware of. Sonic has consistently had great and competitive prices. I do a lot of video streaming and having gigabit internet makes it VASTLY quicker.

Thank you!
