**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Do NOT take away my ability to choose SONIC as a broadband provider. Do NOT force me back to AT&T or another huge provider. PLEASE! It is pure misery trying to work with AT&T and other large providers. Their costs are so high and their customer support is a nightmare! I have had so much peace since I switched to SONIC for both phone and internet. SONIC has kept my costs down and been wonderful to work with. I rely on broadband for business, and SONIC is easily available if there are any problems or questions.

Don't eliminate competitive providers!!!!
