**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am continually frustrated by the lack of competition in broadband providers; it enables ATT and the other giants to charge exorbitant rates and provide horrible customer service with no adverse consequence. I love my local internet provider - they are both cheaper and provide excellent customer service. And I hate hate hate the fact that ATT and Verizon charge even more if you don't bundle services you don't need. Enough, FCC!!
