**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer of broadband service and I support broadband competition. In my semi-rural community, there are very few broadband options and I appreciate that other companies are able to offer broadband services and landline telephone services at better rates than AT&T or Comcast by using unbundled phone lines.

I am retired and live on a fixed income. An increase in the fees I pay for phone and broadband would make me angry. I do not like AT&T. I do not like Comcast. They are huge corporations that prey on consumers. Please continue to allow me to have other options.
