**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

America works best when it supports the "little guy," while resisting monopolies. Broadband must remain competitive. American consumers must have something more than sham choices from the big carriers.

Please stand with us. Keep the internet affordable, transparent, and flexible.

Thank you!
