**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

AT&T and Verizon have quite enough of a monopoly on the telcom industry, we do not need or want changes that make it more difficult for independent providers to give us good, local service.

I live in a rural community that is very poorly served by AT&T and not very well by Verizon. Our locally owned internet provider gives us far superior service and will be damaged by this proposed change.
