**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Why are you attempting to change the laws to accommodate large communication monopoly corporations? I am customer of Sonic and have been for several years. The company offers a fair price for Internet and land line phone service in California and has an excellent business model. If you change the laws to benefit large communication companies, Sonic's rates will soar and I will have to change providers. It will be a grave hardship as I am a senior on fixed income. I have done some research and I will end up paying more for just the internet service alone. Please dont change the laws to benefit the large monopolies. Let small companies like Sonic flourish and grow.

Thank you for letting me voice my opinion.

Thanks,

Douglas Lepiane
