**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am writing this letter to support broadband competition. I recently switched from DSL to Cable and from Cable to my current Fiber internet provider. Having options with internet access and access to reliable and fast service is critical for me and for me to support my family.

I am blessed with multiple options for access and this flexibility is something that is critical to competition and to keeping a free market.

Please support competitive local internet and phone providers.
