**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Comcast, AT&T and other cable providers are wannabe monopolies that provide exorbitantly expensive and technically inferior services.

We replaced our Comcast service after 20 years with Sonic fiber network because Comcast was no longer capable of delivering a stable and technologically capable service.

With Sonic, my business is no longer suffering from lost calls, interrupted web conferences, and slow speeds.

There is plenty of innovative competition and carriers in this space. US Telecom is dead wrong. We strongly oppose this petition.
