**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

My name is Alexandra Andorfer. Im a San Francisco resident. I understand that USTelecom has petitioned the FCC to dismantle parts of the 1996 Telecommunications Act, claiming that residential consumers will be unaffected because there arent any carriers that use unbundled copper and UNEs to compete in the residential marketplace. However, this is untrue. My current service provider, Sonic, uses both unbundled copper and UNEs. I am a big fan of my internet provider and do not support USTelecoms petition. I hope you will take this into consideration. Thank you.
