**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose Sonic over their competitors because of their customer service, speed and price. As a self-employed person, Broadband connection is important to me. Their download speed and telephone service are second to none.

The American way has always been one where consumers have a choice of service providers. Limiting competition will result in higher prices and "lousy" customer service for me.

Respectfully,

Frank Solero
