**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I choose a competitive provider because I have the major company which provides television and internet access decide to eliminate broadcast stations at will and raise prices for television reception, telephone contracts and internet access (again) at will in several areas. This will make it difficult not only for individual subscribers but make it difficult for school systems to plan their budgets-- and for some students to use the internet for school work.
