**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I rely on UNE services to my home and will be materially affected if they are dismantled. My carrier, Sonic, provides fast, reliable, affordable phone and internet service and excellent customer support. Formerly I used AT&T. The fee was ridiculously expensive, the service was spotty at best, and the customer support was plain awful. I support broadband competition because my business makes a difference to my carrier and its reliability and affordability demonstrate that. As I found out personally, big carriers like AT&T could not care less about how good their services are or aren't. And you know that.
