**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We are served by the Sonic Gigabit Fiber company. We are pleased with it's service and certainly don't want to lose it. The last thing we want is to be `driven back to AT&T and the DSL they provided! They are terrible and the reason we switched providers. Competition drives these companies to provide the best service in order to keep their customers. The more, the merrier! We are retired and live on a fixed income. We can't afford any more increases in cost to provide us with internet services.
