**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please dont let ATT and. Comcast dictate which company to choose for Internet service. Ive been patiently waiting for Sonic to come to my neighborhood so I can support a local company not a corporation and not a huge monopoly.

Their practices are unfair and Sonic should have the right to exist and gain access to the wires. I want my internet provider to be Sonic this October. We need more competition on the market as I dont want to keep paying the sneaky increases on my present internet bill.

Regards,
