**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am writing to support broadband competition. I use a competitive ISP because it's a local business, and I do everything I can to support local businesses. My ISP also provides my telephone service. I don't have to deal with a huge phone or cable company, and I am very happy about that. This new rule would probably put my local ISP out of business. That would be good for nobody except for the AT&Ts and Comcasts, and they have too much power as it is. Thank you for hearing me.
