**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose a competitive local internet and phone provider because I want variety and service. We need more competition, not less. We don't need price hikes increasing the costs. Broadband is my lifeline. I have a home business and it is completely internet based. I have a day job and we use that same local provider because they provide great service!

Are you truly here to serve the American people or who is your master actually?

Thanks for your time.
