**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer and a business owner and completely support broadband competition. I choose a competitive provider because they provide enhanced and personal customer service, much better than my previous DSL provider. My fiber connection is critical to my interests and business.

Thank you for your consideration.
