**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

It's important for me to have a choice of providers.

Broadband choice is key for the success of working at home.

I also have a telephone.

In particular I find having Sonic as option much better then ATT or Xfinity alone.

Price hikes in the past have been unreasonable and service poor with only 2 options.

Thanks,

Michael Patterson
